Ref.117137-A.2/50.3 dated/6-2-1950.

Sir,

Sub: Stores - Electric plant for Hydromassage, subaqua [illegible] equipment/ Gift by the anti-infantile paralysis campaign committee, South Kanara Acceptance of.

7477

The Honorary Secretary Anti Infantile Paralysis Campaign Committee has reported that the Committee propose to purchase an electric plant for Hydro massage Subaqua Theraphy equipment for treatment of the disease and ~~plant~~ present to the Govt. Head quarters Hospital, Mangalore and has requested my permission to accept the plant when ready for use in the hospital. He has also forwarded a copy of enclosures etc of his committee (copies enclosed).

The Superintendent, Stanley Hospital has reported that ~~the~~ no expenditure could be given about the expenditure involved as the equipment is not popular with the public; that the nurse in charge of Physiotherapy can operate it and requires no training, that it can be accommodated in any corner preferably in a special room as certain amount of privacy is needed and that any electrician and plumber can fit it or it can be done by the P.W.D. and that further and full information regarding the effect of treatment may be referred to Dr. Vyageswarlu, Government General Hospital, Madras.

The District Medical officer, South Kanara has reported that as he has no working knowledge of the apparatus he is unable to furnish the extra cost involved and on its maintenance.

I consider that the apparatus will be very useful and is worth having. ~~on request~~. I request the Government will be pleased to approve the acceptance of the gift by the District Medical officer, South Kanara for use in the Head quarters Hospital, Mangalore.
